AvaMix Goliath DICE AFPC5SSDC Combination Food Processor with 5 Qt. Stainless Steel Bowl, Continuous Feed, and 4 Discs - 2 hp

#928AFPC5SSDC

Technical Data

Width	12 Inches
Length (with Bowl)	13 Inches
Length (with Continuous Feed)	17 Inches
Height (with Bowl)	20 1/2 Inches
Height (with Continuous Feed)	26 1/2 Inches
Hertz	60 Hz
Phase	1 Phase
Voltage	120 Volts
Wattage	1500 Watts
Batch Bowl RPM	300 - 3500 RPM

Features

- 2 hp motor with variable speed controls for precise, heavy-duty processing
- Includes 5 qt. stainless steel bowl with scraper, "S" blade, 4 discs, and dicing kit
- Continuous feed attachment allows for constant slicing, grating, and dicing
- Blades won't spin until attachments and lid are secure
- Great for making dips, dressings, sauces, and spreads

Certifications

Technical Data

Bowl Capacity	5 qt.
Bowl Material	Stainless Steel
Continuous Feed RPM	300 - 1200 RPM
Hopper Style	Full Moon
Horsepower	2 hp
Number of Blades	1 Blades
Number of Discs	4 Discs
Plug Type	NEMA 5-15P
Power Type	Electric
Product Line	AvaMix Goliath
Speeds	Variable
Type	Combination Processors

Notes & Details

Cut down on prep time while cutting and mixing a variety of ingredients with this AvaMix Goliath commercial food processor! With an efficient 2 hp motor and 1,500W of power, this unit operates at variable speeds from 300-3,500 RPM in batch bowl mode and 300-1,200 RPM in continuous feed mode, making it ideal for high-volume, heavy-duty processing tasks. This unit includes a pulse button, so you can quickly and easily process food to the desired consistency. Its build includes a durable stainless steel and plastic base that will hold up to the demands of commercial operations, while its nonskid feet promote secure use. This unit comes with a continuous feed attachment with a large full moon hopper, inner chute, and discharge disc to further increase prep speed, as well as 3/8" and 1/8" slicing discs, a 1/8" grating disc, a 3/8" dicing grid, and an "S" blade for added versatility.

The bowl comes with a clear lid and a scraper set that includes a hand crank and scraping arm, which makes it easy to monitor processing progress and incorporate ingredients. The safety interlocking feature ensures the blades won't spin unless the attachments and lid are properly in place, ensuring safe use for the operator. Plus, the 5 qt. stainless steel bowl holds plenty of product and is easy to clean.

This food processor is easy to control with simple start / stop and pulse buttons. It features an easy-to-read LED display so you can view RPM speeds at a glance. Built with versatility in mind, this unit is perfect for slicing, grating, dicing, pureeing, emulsifying, and chopping. It can be quickly disassembled, making it easy to store away when not in use. It requires a 120V connection for operation.

Kit Includes:
- AvaMix Goliath 2 hp motor base
- 5 qt. stainless steel batch bowl with scraper set
- 1/8" slicing disc
- 3/8" slicing disc
- 1/8" grating disc
- 3/8" dicing grid
- "S" blade
- Continuous feed attachment
- Discharge disc
